July 2022 Letter to the General Public

On open and widely distributed letter by Ed Donegan who prefers the Secret Service charter mission of protecting the JFK RFK and TK presidencies from assassination overthrow and https://twitter.com/GeorgWebb as a media contact and the FBI Office of Professional Conduct.

I am seeking safety as a book writer and Atomic Testing victim from The Republic of Ireland and The newly democratic European Russia that has emerged from the Cold War to become a representative European nation even following traditions of war with its neighbors, losses, and annexations explained at competing press conferences.

Phillip Marshall was writing and trying to get to market The Big Bamboozle a book that I am writing in away with perhaps even more details, evan all details and the first time the details have been offered.

Phillip Marshall and his family were I believe assassinated by the CIA at the very least it was a murder suicide in a family of the man who feared the CIA and Bush family.

I was writing starting in 2019 about James Paul Donegan leaving the church, likely doing so at St Aidans Catholic Church of Dorchester Massachusetts, Boston really where I also lived as a kid, and had felt this friend who was wronged by the Catholic Church was either JFK or RFK.

In the last four months now being mid September 2022 I have found Catholic Gladio formally joined in 1963 was an assassins group in the Vatican that joined with Office of Information Service of WWII, OSS in and following World War II into the CIA under Richard Nixon, Wild Bill Donovan, and others who with United Fruit Company and others used Mafia to rule the world and seems to have killed JFK and RFK.

I have long known CIA backed FBI backed law enforcement backed Mafia have attacked me and known it is NOT alt right views. I do understand people can be programmed by certain programming codes. When police backed non white snitches plant child porn on me and say I owe them over the allegation that defames me I respond in symmetry with the incursion into me with white nationalism.

But why was this happening at all? I find myself likely on the hit list of those the CIA Mafia are trying to silence about the CIA Mafia long term sluch fund illegal operation deep state.ce of Professional Conduct as the preferred Law Enforcement contact for those who have information.

The simple part of the story is that I am not a Nigerian prince. My mother born December 13 1926 grew up poor in North Carolina until 9 years old, at her two years old her brother Harold being born and living on that

same farm also wearing gunny sack seed clothes during the dust-bowl on a farm.

In a G.I Bill type of life story my father James Paul Donegan a son of poor Irish Roman Catholic immigrants to the USA in Dorchester Massachusetts St Aidans Church where the Kennedy's lived and is tied to Robert F. Kennedy, the Kennedy Museum, etc., and he would leave that church based on how a friend of his was destroyed (he said banished but not exactly that word, sounded more politically drive out) by politics.

By the accounts of my family and onlie records James Paul Donegan met Glorian Donegan, formally Glorian Gainey sister of Harold Gainey them of Festus Gainey all of the Fort Bragg area when Glorian was then living in Bishopville South Carolina. Harold's friends lived in trailers and he worked for Dupont fiber and he and Glorian lived on a small farm house with a tractor, windmill, tobacco leaves drying shed, farm land, etc.,

James Paul Donegan joined the US Army Air Corp learning piloting skills and fought in wWII and the Korean War including air campaigns over Europe and teaming in the P-51 with the B-29s for the atommic bombing of Japan following the surrender of Germany.

Maria Kutshcera was niece of Franz Kutschera a Gestapo General who in the Von Trapp household to the disdain of Captain Von Trapp made Nazi plans with Heinrich Himmler.

Maria Kutschera impregnated in 1925 by the Windsor family with three children likely Marilyn Monroe, Glorian Donegan, and Julie Andrews had new identities in the USA disavowing the Nazi connections.

During CIA work in the 1952 to 1972 era most likely as a date range Dean Rusk and others of Standard Oil plans used DNA from Glorian Donegan in test births testing a rare gene in secrecy the London King Edward VII FOXP2 Minimal Brain Disorder (adhd dyslexia like symptoms) the royal family was eager to hide, runs in the Rockefeller, Bush, Windsor, Kennedy, and Donegan family, and Central European family lines in great numbers.

The life story of James Paul Donegan and Glorian Donegan and Ed and Tom Donegan should be viewed as virtuous and normal but CIA and espionage activity has targeted, duped, harassed and betrayed the Donegan family when the story of Madelyn Lee Payne of Rockefeller Oil was part of plot with Dean Rusk to use Glorian DNA for Barrack Obama and Indonesia in sleeper agents planning.

The Donegan family is targeted and harassed nearly into oblivion now that a predatory racket is allowed to abusively assert wrong doing by Edward Paul Donegan, last living Donegan, and the destructive allegations inciting fall from society into homelessness.

I believe the CIA plans to violate the Monroe Doctrine and use sleepers for British and US Colonialism with the Windsors is what led to the assassination of the Kennedy's and others.

To the United State Secret Service and to whom it may concern. The Mafia was used to attempt the overthrow of Fidel Castro, to succeed in the Overthrow of JFK and Roman Catholic influences, and as attack on me and they are all related to the Kennedy Assassination and the CIA and have targeted me as a victim in the same matter because of family history of the 1920s and 1960s in Dorchester Massachusetts (initially Google Donegan Dorchester and Kennedy Dorchester.)

Mafia Konnection Ultra is the FBI using allegations I am retarded and schizphrenic to allow Racketeering Influence Criminal Organization elites the influences to attack me as Mafia, staging destructive false allegations against me and physically and legally civilly attacking me on the basis of those accusations.

That is the connection to the Kennedy's on my fathers side, initially. On my mother's side Secretary of State Dean Rusk was in North Carolina at the Presbyterian Davidson College North Carolina in 1927 about the time my mother Glorian Gainey and Harold Gainey were in North Carolina as underground railroad rescuees from Austria as Kutscherea Windsor Von Trapps.

"To allow opposition by speech seems to indicate that you think the speech impotent." Speech from me has not been so and has been Targeted specifically because it is related to the history of the Presidency and Dorchester-Boston Massachusetts and thus I have had change my writing career to address the Mafia attacks on me the Secret Service should also be addressing.

Today's politicians and news media do not want the MKULTRA story told and I and other imperiled witness are being harassed and not listened to.

STASI - THE MINISTRY FOR STATE SECURITY

(German: Ministerium für Staatssicherheit, MfS,) was the official state security service of the German Democratic Republic (East Germany, GDR) from 1950 to 1990. It has been described as one of the most *effective and repressive intelligence and secret police agencies to have ever existed*.

One of the Stasi's main tasks was spying on the population, primarily through a vast network of citizens-turned-informants, and fighting any opposition by overt and covert measures, including hidden psychological [and medical and financial] destruction of dissidents (Zersetzung, literally meaning "decomposition").

The system used recruited members of the public or State buerous to sabotage the records, ordinary living, housing, and finances of vicitms of the Stasi.

18 U.S. CODE § 1512 - TAMPERING WITH A WITNESS, VICTIM, OR AN INFORMANT

Section 1512 of Title 18 constitutes a broad prohibition against tampering with a witness, victim or informant. It proscribes conduct intended to illegitimately affect the presentation of evidence in Federal proceedings or the communication of information to Federal law enforcement officers.

Hiding Violations of 18 USC § 1512 can be achieved by corrupt powerful figures in Governors offices, CIA, FBI, and other official positions who plausibly deny their Stasi hand in the destruction of lives of those who are witnesses to the Kennedy assassination.

POLITICALLY ORGANIZED RACKETEERING KRIMES PORK

Politically Organized Racketeering Krimes sets up Mafia ties and slush funds in League with corrupt interests in government and media, if pervasive enough and powerful enough, can allow illegal programs to be concealed including concealed by using Agents of Influence in Media to propagate propaganda and intimidate conspiracy theories regarding Shadow Government or Deep State

CRIMINAL FACILITATION

PORK may recruit profiteering criminal elements into activities to gain their participation in the Politically Organized Krimes

Facilitation of Crimes including the hiding of data incriminating today's politicians and businesses tied to JFK assassination can include acts of sabotage a writer by break-ins to his or her home office, intimidation of statements of the witness to the police or to anyone else, and other conspiracies against the witness that harass the victim or disadvantage the witness's effectiveness in anyway.

Use of Provocateurs to instigate conflicts or altercations that after their start can be resolved against the person who alleges they were throwing a second punch and not the first is part of harassing a victim into bad and ineffective outcomes or conditions.

The attacks on my home office and computer equipment and other attacks on me have been as much a part of espionage related presidential activities as were the Watergate Towers break ins and other crimes.

These are not the only crimes I have been the victim of by an Espionage Deep State that is tied to the crimes of assassinating Kennedy members and others.

In what I am now terming Defensive Treason criminals who gained power in government by OSS CIA methods (covert irregular warfare plausibly denied crimes against the State and its office holders and thus crimes against the People) now in ower are using the same long term system of Psychological Warfare violence in denied acts of additional treason concealing the earlier assassinations.

The Abuse of Power of existing power holders uses Mafia actors as assets for misdeed overlooked intentionally by police acting on orders of corrupt interests, those interests now embedded in government.

The Conspiracy Against Rights is achieved by false pretexts in Abuse of Process and has included wrongful evictions and terminations of lawful housing I have held and false arrests and detentions based again on false or artificially illegal manufactured pretexts for those arrest, the pretext withstanding because the State would not transport me trial.

As a general rule political asylum is granted when a person fears for their life because of the corrupt and illegitimate acts of the their government; in this case the Government by planting children as "porn" near me has been able to create abuses of my rights not only supported inside the United States but my alleged child abuser status hampering exit from the United States as well.

The Russians have noted the FBI has used the same tactics on their own as are being used on me and this is standard practice for the Government of the United State of America, a country unwilling to route the richest of its criminals from the glamour of their political lives.

One attack in Corpus Christi Texas I reported to the police and the records were altered of pertain to the theft of my integrated TV, DVD, and laptop computer also DVD capable I was writing and researching my book on about the Von Trapp background of my mother Glorian Donegan.

I have attached (in some cases) a chapter from one of my books the stolen equipment is refereed to using non-fictional background info and Kennedy Secretary of State Dean Rusk, his ties to Rockefellers and Charlotte North Carolina area my mother was in and the likely underground railroad run by the Presbyterians and YMCA later material to the Donegan s connection to the JFK admin and that same background of Glorian Donegan of North Carolina USA.

Lee Harvey Oswald's last attempted phone call (John Hurt Amry intelligence emigres to the USA background checking) was to that area and I believe connected to the Glorian Donegan Dean Rusk story I go into later.

Every bit of information I Ed Doneagn have including first hand witness statement and my own first hand information that I have is that Robert f. Kennedy knew most but not all of the assassination run out a Government operation JM/WAVE he oversaw , and private mafia CIA groups did not like his oversight. Those assassins like David Sanchez Morales and William Harvey, Donald Barr and William Barr, J. Edgar Hoover and James Angleton,George H.W. Bush, he did not know the full details of, Operation 40 parallel operation, privately funded mafia of George H.W. Bush, E. Howard Hunt, and others in rouge operation.

Thomas Hale Boggs Sr. (February 15, 1914 - disappeared October 16, 1972) was an American Democratic politician and a member of the U.S. House of Representatives from New Orleans, Louisiana. He was the House majority leader and a member of the Warren Commission.

In 1972 as J Edgar Hoover died, Watergate and other Senate hearings on the CIA were underway, while still House Majority Leader (Roman Catholic who upon death was replaced by Tip O'niel as Speack of the Hosue), Boggs was on a fundraising drive in Alaska when the twin engine airplane he was travelling in (along with Alaska congressman Nick Begich and two others) disappeared en route from Anchorage to Juneau, Alaska.

Boggs began his political comeback. He was again elected to Congress in 1946 and was then re-elected thirteen times, once just after he disappeared, but before he was presumed dead.

During his tenure in Congress, Boggs was an influential member. After Brown v. Board of Education, he signed the 1956 Southern Manifesto condemning desegregation. Boggs voted against the Civil Rights Acts of

1957,1960, and 1964, but voted in favor of the Voting Rights Act of 1965 and the Civil Rights Act of 1968. He was instrumental in passage of the interstate highway program in 1956.

He served as majority whip from 1962 to 1971 and as majority leader from January 1971 to his disappearance. As the whip, he ushered much of President Johnson's Great Society legislation through Congress.

During this time in the Congress Nixon and Hester were working on a plan for post WWII Europe as a congressional bill called the Marshall Plan as the Iron Curtain went up,, the Berlin Wall was built and the Soviet Union successfully tested a nucelar device and was winning the Space Race and China was going nuclear and communist and the Republican or Ireland and Northern Ireland were in a dirty war in Belsfast. MKULTRA begain in 1952 1953 with the death of Frank Olson, the death of Johan Paisley and the MKULTRA plan formalized and relying heavily on Brittian backing sleeper agents around the world

The suspcicous deaths John Paiselyi and Ralph J. Siglar of the CIA connected to Oslwald fit to activties in this timeline. From the 1953 to 1957 Paiseley was working on survellielling and electronic surveillance of the Communist side of the wall and the Sovietes with William K. Harvey of the CIA who also oversaw tunnel activities, defectors, and assets managed through the wall for the CIA.

In the 1979 novel "The Matarese Circle", author Robert Ludlum portrayed Boggs as having been killed to stop his probe into the assassination.

He served as majority whip from 1962 to 1971 and as majority leader from January 1971 to his disappearance. As the whip, he ushered much of President Johnson's Great Society legislation through Congress.

On August 22, 1968, while Secretary of State Dean Rusk was testifying in a hearing concerning the Vietnam War, Boggs interrupted the session to announce the invasion of Czechoslovakia by the troops of the Soviet Union, after hearing of a recent Radio Prague broadcast telling the Czechoslovaks not to take any action against the occupying forces. That caused Secretary Rusk, who was previously unaware of the situation, to excuse himself immediately, mid-testimony, to attend to the issue of the invasion.[20] (Source: Walter Cronkite: The Way It Was: The 1960s)

In April 1971, he made a speech on the floor of the House in which he strongly attacked Federal Bureau of Investigation Director J. Edgar Hoover and the whole of the FBI.

That led to a conversation on April 6, 1971, between President Richard M. Nixon and the Republican minority leader, Gerald Ford. Nixon said that he could no longer take counsel from Boggs as a senior member of Congress. In the recording of this call, Nixon asked Ford to arrange for the House delegation to include an alternative to Boggs. Ford speculated that Boggs was either drinking too much or taking pills that were upsetting him mentally.

On April 22, 1971, Boggs went even further: “Over the postwar years, we have granted to the elite and secret police within our system vast new powers over the lives and liberties of the people. At the request of the trusted and respected heads of those forces, and their appeal to the necessities of national security, we have exempted those grants of power from due accounting and strict surveillance.”[23][self-published source]

Disappearance in Alaska - As majority leader, Boggs often campaigned for others, including Representative Nick Begich of Alaska. On October 16, 1972, Boggs was aboard a twin engine Cessna 310 with Representative Begich, who was facing a possible tight race in the November 1972 general election against the Republican candidate, Don Young, when it disappeared during a flight from Anchorage to Juneau. Also on board were Begich’s aide, Russell Brown; and the pilot, Don Jonz;[24] the four were heading to a campaign fundraiser for Begich.

The search for the missing aircraft and four men included the US Coast Guard, Navy, Army, Air Force, Civil Air Patrol and civilian fixed-wing aircraft and helicopters.

The more extensive documentation I have written and evidence I have collected such as photographs I have take and family moments, genalogy records, obituary data of the Donegans, our internal oral histories, etc., support a Deep State of British backed Free Masons who have killed Roman Catholic profile government figures like Boggs, Scalia, Assistant US Attorney Thomas Crane Wales, federal judge McCarthy Roll a devout Roman Catholic likely tied the the Vatican run free masons program from Knights of Malta set up by the Crown of England and named of Senator MCarthy anther Catholic, and many others.

“Deep State Hit List- Strange Deaths Of People Who Knew Too Much: JFK- MLK - RFK Assassinations And The Clinton Scandals” is the book on Kindle Unlimited I have now and I find the harrassment of me and the deaths of others who are in some way witnesses to the JFK assassination and the FBI role in the JFK assassination for a successful prediction capable profile model of the operation of a Shadow Government.

My own experiences writing books about this has been little different than Phillip Marshal who was writing on the Saudi connections to the Bush Family and a Deep State of murder through the CIA (and FBI COINTELPRO MKULTRA).}

Former 767 captain Philip Marshall, a veteran airline captain and former government “special activities” contract pilot, has authored three books on Top Secret America, a group presently conducting business as the United States Intelligence Community. Beginning with his role in the 1980s as a Learjet captain first as part of a Drug Enforcement Administration (DEA) sting on Pablo Escobar, and later in the covert arming of the Nicaraguan Contras, Marshall has studied and written 30-years worth of covert government special activities and the revolving door of Wall Street tricksters, media moguls, and their well funded politicians.

Calaveras County Coroner Kevin Raggio said he determined Philip Marshall and his two children were all killed by a gunshot wound to the head, after performing an autopsy Tuesday morning.

He had already had trouble getting a book deal, experienced death threats and the cover logo of his book was a CIA like seal and the text of seal: "*United States Intelligence Community*"

Author Publisher description of the Big Bamboozle "*Backed by official NTSB, FAA and black box recordings, Marshall finds the most capable and most documented group of conspirators buried deep within a Congressional Inquiry's report and retraces their work in gripping detail. Fasten your seatbelt- the sad truth is that all of the solid evidence points to a dark collaboration between members of the Bush Administration and a covert group of Saudi government officials. This is a game changer that will finally set the record straight on the most horrific crime in US history.*"

Simply put, the Operation 40 Oil Business Mafia and MKULTRA under ranked but out-killed the constrained assassination program RFK oversaw and ran in Florida.

Upon reaching the Vice Preisency MKULTRA began in 1953 secretly under VP Richard Nixon

It put in place by a "*Secret Team*" in the US Military and through Nixon Rockefeller republicans that chose to keep the Roman Catholic leaning Catholic Kennedy family out of the loop and silenced them as they found their way in or were about to.

Around 2 a.m. on the morning of Saturday, November 28, 1953, Frank Olson plummeted onto the sidewalk in front of the Hotel Pennsylvania. (At that time it was called the Statler Hilton Hotel.)

Richard Nixon sat in the White House library and often was given background information on world oil supplies, growth in Communism, and other business data from around the world.

Dulles was especially concerned with the rising battle for half of Europe once thought won after the fall of Nazi Germany only to have a Nuclear Russian military hostile to the USA move into the gap.

Ethnically Motivated Mercenaries can often operate in the open through FBI or DOJ under COINTELPRO operations like Anti White Hate and those program in illegal operations can include and recruit Mercenaries who will assist in illegal operation desired by the CIA and others and often these are rouge operations conducted by the willing or the financially interested that lend themselves to shadow activities denied by the Government.

It is this murk I assert the Arc of Northern Virginia, Mac Lamar Property Management, and others have operated via Behavioral Research often infiltrated by the CIA and FBI in this case using corrupt behavior of behavioral health care to undermine my activities including encouraging those prone to misconduct to target me with misconduct and profit from doing so.

All of this is politically influenced and illegal activity and researching that activity will lead to highly placed US Government figures whose connections the JFK assassination can be found and those people are now harassing possible witnesses such as myself or our books or home offices and office equipment.

My family history supports the theory the hit on JFK was more connected to my mother and her birth of me than any other factor, that birth tied to assassinations, regime changes, and other births from the Donegan family line.

Earle Cabell (October 27, 1906 - September 24, 1975) was a Texas politician who served as mayor of Dallas, Texas at the time JFK was assassinated. Cabell was mayor at the time of the assassination of United States President John F. Kennedy and was later a member of the U.S. House of Representatives.

Earl Cabell's brother Charles Pearre Cabell (October 11, 1903[1] - May 25, 1971) was a United States Air Force general and Deputy Director of the Central Intelligence Agency (1953-1962).

Charles Pearre Cabelle was transferred to Randolph Field, Texas, as flight instructor in 1934 and subsequently served as post adjutant, beginning in 1937. He was detailed to Air Corps Tactical School at Maxwell Field, Alabama in 1938, graduating in 1939, then detailed to Command and General Staff College at Leavenworth, Kansas, in 1939, graduating in 1940. He was promoted to major sometime during this period. He was assigned to the Photographic unit at Wright Field, Ohio during 1940, and as an observer with the Royal Air Force; in

April 1941, he was assigned to the Office of the Chief of the Air Corps as chief of the photographic unit. He was promoted to lieutenant colonel sometime during this period.

My father and mother met n 1952 (my father having flown as P-51 pilot Combart Camera Unit defending and attacking bombers over Europe and being part of the atomic bombing of Nagasaki and Hiroshima and part of atomic blast above ground testing and target selecting and Bomb Damage Assessments folloing bombings in the Korean War.

RFK was finding out from Marilyn Monroe what the George H.W. Bush Business Plot lunatics were doing in CIA Mafia NGOs including the Chicago Boys and LBJ backed activities, and he and Marylin Monroe were silenced just as RFK was headed to Chicago.

A version of John F. Kennedy assassination conspiracy theories, the “Renegade CIA Clique” theory, implicates Cabell and other alleged conspirators, including CIA officials James Jesus Angleton, William King Harvey, and Cabell’s brother Charles Cabell. This theory claims Earl Cabell re-routed Kennedy’s motorcade as a favor to his brother. Catchpole, Terry (January 17, 1992). “Nine JFK assassination theories”. Entertainment. Use of Donegan DNA tied to out of wedlock Windsor family and Kutschera family from Maria Augusta Kutschera were used in eugenics test births by the CIA including from the Donegan family and the placement of sleepers around the world is what the CIA is covering from this program.

Largely Great Britain Commonwealth countries tied this and the Republic of Ireland versus Northern Ireland splits the Dorchester Massachusetts families split with while the George H.W. Bush Will Bill Donovan and others including James JEsus Angleton backed the commonwealths. I was born under Manhattan Project Manhattan Beach (its on my birth certificate) testing and I believe this fills in the empty part of JFK assassination questions into a complete sphere of understanding and joins it to numerous other national security questions still unanswered about Deep State and CIA Shadow Government still unanswered in a detectable line of aligned planets.

It is not my suggestion you collect evidence of I have collected and you can collect at my residence of 1513 Ocean Dr. Corpus Christi Texas apt 5. It is my belief you are required to do so in collecting evidence credibly asserted as material to the assassination of President of the United States John F, Kennedy and the assassination of his brother, at that time Attorney General of the United States, and at the time of his assassination presidential candidate Robert F. Kennedy and the likelihood the Office of the Presidency since has been held by assassins of previous office holders differing on policy from the Kennedy’s.

It is my belief the attack on President Kennedy in November 1963 and attacks on witnesses since 2011 and the election of and protection of presidents with possible ties to the assassination in 2008 and 2012 fall under the

jurisdiction of Unlawful Enemy Combatantacny and while it is unlikely a president gaining the office unduly by connection to earlier assassination of government officials would appoint a commission to try themselves or try those acting on their behalf I believe anyway that dereliction of duty or personal loyalties to resultant constitutional office holders rather than assassinated office holders is a matter for military commissions and treason executions for any dereliction of duty in this matter.

I can not prove JFK at my birth vicinity November 1961 is tied to a possible CIA fake birth certificate for Barrack Obama Jr arranged by Donald Barr or others, nor the Dorchester connection between the Donegans and Kennedy's.

It may even be unlikely yet I am still in disbelief in the negative activities of Law Enforcement and lack of positive direction of them and possible good lead here.

I can not find any other explanation for these events nor could the Warren Commission nor many other hearings on the long term stalk of certain families in the USA by the military.

My theory and experiences as a Mafia harassed witness are consistent with and include the Kennedy family dispute with Allen Dulles and others regarding assassinations and espionage in a variety of countries including France but add Ireland and Republic of Ireland while still including Cuba and Reverend Rafael Cruz Sr in Cuba.

Rafael Bienvenido Cruz y Díaz (born March 22, 1939) is a Cuban-American Protestant preacher and father of Texas U.S. Senator Ted Cruz. He regularly serves as a surrogate in his son's political campaigns.

My family history is from Dorchester Irish Catholic background my father and Rose Kennedy likely in the same church as later the Donegan family was and Robert F. Kennedy and the JFK historical sites are. The JFK library and St Aidans Chruch of the Donegans and Kennedy's is at Columbia Point in the Dorchester area and also the home of Rose Fitzpatrick mother of John Fitzpatrcik Kennedy and also the church of Robert F. Kennedy.

L. Fletcher Prouty who has written extensive books on the JFK assassination was a close family friend of the Donegans and I knew him, dined with him in his home, and our families iced skated together on frozen cranberry fields and participated in other play activities when I was a child.

My father James Paul Donegan was in atomic testing above ground likely in the first above ground test prior to bombing Hiroshima and Nagasaki flying the North American Aviation P-51. as the F1 Foto recon version.

I am a direct first hand and credible witness to many events and public and private documents will back that up. Lucy's Chocolate Conveyer Theory is what I might call it and will here. The Windsors and others from Central Austria where many famous people are from including Albert Eisenstein is home to the FOXP2 Minimal Brain Defect gene. Long term research on it has been conducted by powerful families including the Rockefellers, Rockefeller Psychiatry, the Prescott Bush and descended family are tied to this as are many others.

Secretive research in this area by traditional European family hid the presence of the gene that I and my mother also carried and the Kennedy family and other families carry. Keeping the gene secret was part of a plan of relatives (secretly) of world leading families would be groomed and planted as Western allies around the world and where a defect was visible in a known ruling family explained as minor and hidden altogether in others.

John F. Kennedy was aware of and participating with the testing of a genetic family line tied to February 20 1961 and my birther 9 months after fertilization November 18 1961 and at the two year mark of developmental psychology research JFK was assassinated I believe motives by protecting the work by the Rockefellers, Dean Rusk, Dulles, Sottish Rites, and many others including Thorkil Kristensen.

By my father's accounts he also was in the missions to drop bombs 1 and 2 and if we had a third might have been called upon to deliver it as part of the composite team had not the Russians in Manchuria forced the surrender of the Japanese. As part of that work he was exposed to above ground blast(s) in Nevada and following that medically tested. Sindey Gotlieb and involuntary science (a speech biologist and assassin) would likely have been involved.

I believe I am a CIA Mafia victim and this victimization of me by mafia connections to a genome history of me are the direct and material motive of a string of Kennedy assassination and that Donald Barr, William Barr, the Bush family and other actors have mafia ties including through the FBI and since the Castro assassination attempts the close relationship with Mafia I can identify and are part of my family history remain a threat to the USA and the safety of the world including the dangers stemming from criminal control gained of the CIA, FBI, Department of Defense, and other Espionage and war grade posse departments of government under the control of Subversion connected office holders who have personal legal culpabilities to protect via abuse of power and possibly even entrance of the USA into unnecessary wars to maneuver an out strategy for themselves.

A compulsive and criminal obsession with my genome backs the theory illegal clones were done and studied and I believe based on my birth in Los Angeles California at the home of the North American Aviation P-51 and the Santa Susana Field Laboratory and near from there the Department of Energy atomic proving grounds at Los Vegas Nevada.

These areas of the Manhattan Project Donald Barr and others were close to my genome already part of a world history.

My mother is from North Carolina originally where Lee Harvey Oswald's last phone call attempt was too and this connects to my father in 1952 meeting her from his F-51D crash we are told and she of the with the Von Trapp singers in the USA North Carolina continued to be a part of history.

I rely on statements of deceased Jen Moore very knowledgeable insider on Free mason history that exceed my own (and her knowledge of the CIA role in this) and her accounts of my mother at 850 N. Randolph Arlington Virginia where my mother and I lived matched Lee Harvey Oswald's (Nazis in the USA) accounts of me and Lee Harvey Oswald as well and that from the Kutscheras. and that information is quoted from both Jen Moore Ed Donegan and Jim Garrison and Harold Gainey and Glorian Gainey and other sources.

The Mafia murder of Jen Moore (I believe that so) follows the Mafia murder by Ron Pataki of Dorothy Kilgalen strict anti-mafia Roman Catholic friend of RFK and JFK and the murder of her by the Mafia facilitated interference with the career path of Ted Kennedy at least and also damped suspicion falling on the death of Roman Catholic representative Sony Bono of Palm Springs in the same week of the death of yet another Roman Catholic Kennedy family member.

James Paul Donegan was flying the F-84 or F-86 along with Francis Gary Powers (U-2) in Anti Iron Curtain recon it appears during the cold war and Lee Harvey Oswald true CIA Patriot may have been working on the history of the defense of England by Radar with P-51 Spitfires (the Spitfire was made as the P-51 in the USA) fought the bombing of Conventry in its finest hour, that part of history my father may also have flown in.

George H.W. Bush and the FBI NSA and CIA and DOD along with others were interested in the assassination of Fidel Castro and teamed with the Mafia.

This team continues to exist and is part of Big Business - Subtype Mafia backed NWO companies including Standard Oil and extensive British connection to oil barrel politics.

Many of today's leading media and government figures were born into and continue this mafia based Subversion by assassination into power and political voice purchase into power.

I believe Mafia run by the FBI NSA likely Secret Service CIA and others are tied to these related events with

the related death tolls

Most put the CIA Mafia Kennedy Martin Luther King suspicious death count at about 100 mostly CIA, FBI, or others, I add about 30 more in tied to the Boston Bombing and Dorchester JFK Library fire including the arresting officer FBI agents who fell from a helicopter and also other who shot and killed a witness and this ties to the infighting between the CIA Deep State and JFK administration.

I add about 15 suspicious deaths of my family or friends mostly to cancer or car accidents including my brother Tom Donegan my last surviving relative lost cancer and my best friend in high school and only close friend from a regular out of school context, this person being Chris Lloyd who lived in LAMORINDA California remote to the private school we took long drives to each day often together.

I add about 15 congress people in ranging from senators to representative Sonny Bonny and several Kennedy's campaigning for office or who died in office not usually counted in the tally. I add about 15 major actors in as victims and 30 as suspects. I add as many others do 9/11 and its ties to some secret Bush administration ties to the Saudi and Naval Intelligence history also tied to the JFK murders and in this is an attack on the Pentagon.

9/11 involve airliner crashes and I add many more in that the FBI has little interest in truly identifying through normal means and have usurped and discounted other norms in investigating including TWA Flight 800 and in most cases I can identify passengers tied to the world history I suggest.

I assert Havana Syndrome as out Deep State calls it is Little Rock Syndrome and the Secret Team inside our US Government is killing with radiation though denying it and blaming the Russians and I assert during the election of Barrack Obama Jr. and Biden as VP I was hit with radiation, raw source, inside a federal medical hospital just as JFK RFK friend and coworker RICO antagonist Ted Gunderson was asserting he was being poisoned and died and his records show at Mac Martin the last 4 digits of my SSN I say is tied to CIA testing and he said as well.

I believe as a former CIA agent said and Daniel Casalero agreed this Octopus of Business around teh world (Fine Fruit I think the John Foster Dulles business was) is tied big business mafia and that is a Shadow Ethic war in the USA as it favors British Fre Masons and an apolitical more or less at the very top Vatican in long term free mason programs rejected by political offiacial in the USA.

1511 and 1513 Ocean Drive Corpus Christi Texas are not marked and confusion exists but a Corpus Christi Police officer recently received information from me on these matters and I continue to update and suggest you view as credible witness provided evidence.

It is my understanding from political news sources that the FBI does background security checks even for the CIA and DOD if I have everything from Big Bang Theory and court appoints reports to the senate committees discussed in political debate.

From my own family I know there is a ‘birthday week” tie to studies of me, that my family likely comes from secretly studied abdicated royal family DNA somewhere in the world and by verbal reports of me family well connected trough out personal lives and our accounts inside the family of them today’s FBI and DOJ figures match the profile of infiltrators, and assertion a whistle blower Jen Moore said seeming connected herself has made.

It is my understanding and experience the FBI DOJ and even CIA is not only inseparable from Mafia dons they are indistinguishable from them, DuPoint and other family lines conducting mafia hits from in their offices at FBI DOJ though in the role of (infiltrating) Government offices as a toxin to those offices.

The architecture of the theory I suggest is the Boston Brahim are mafia connected and along with Southern Democrats (LBJ) formed an anti-communist plan using mafia assassins. Reaking of English Orange Ulster soccer club British tactics against the Republic of Ireland the Kennedy family rejected the plan.

Goerge H.W Bush and Donald Barr and LBJ Southern Democrats ousted the Northern Boston based Roman Catholic “puritans” in politics.

I would like to close this letter with an explanation of how I came to research and believe the unthinkable including the unthinkable about the FBI and CIA.

I had long noticed Barrack Obama had a personality type like mine subtle humor insightful and dismissive and difficult matters and his birth and people alleging connections to him were close to events in my life and the JFK story-line fit my life too.

I had always been led to believe there was A King Edward abdicated I had somewhere in my grandparents I had suspected some novelty castle title dating to the 1920s turmoil of Ireland and Norther Ireland.

Jen Moore (former Tracy California police officer, credible) had pointed her camera at 850 N. Randolph St Arlington Virginia the exact unit my mother lived in and told the story of a traumatized 9 year old girl from a family that escaped Nazi Germany and now the were OSS CIA Nazi tied family lines in the USA>

I believe she herself was possibly a child of Maria Kutschera or at least knew Glorian Donegan was and as Jen Moore explained it there was the “two competing philosophies” in that heritage, Nazi Kutschera and Windsors.

I believe she was correct that she would not be silenced, her videos are still online though the FBI and NSA fire many who support her narrative about Free Masons and the CIA smuggling Nazis into the USA and that CIA sometimes meant Catholics In Actions.

I count her among murdered (silenced) journalists ranging from Micheal Hastings to Dorothy Kilgallen who knew the real DNA experiments that the CIA NSA and DOD were involved in and how it tied to Glorian Donegan.

In her great unveiling the Shadow Government feared she outed Vatican II along the the CIA FBI and Free Masons and US Military programs to use Nazi tied immigrants to build MKULTRA backed sleepers for world rule who now in the USA and elsewhere are trying to hide their MKULTRA CIA FBI origins in part because that program operation depend on assassinating the Kennnedys and others.

Here videos below reordered here. Jen Moore was drive from society mocked for her Conspiracy Theories as was Robin Gritz her supporter and others yet Free Mason continue in power and abuse power to retain power.

Understanding Jen Moore can be done in six steps

STEP ONE: IN VIENNA AUSTRIA, BUDAPEST HUNGARY, AND OTHER LOCATIONS CIA AND PSYCHOANALYSIS WERE STUDY THE BRAIN

During this time and today Free Masons continue to research JFK's brain and fOXP2. Prescott Bush and many others were long tied to this research and Eugenics

STEP TWO: SOME CAME TO THE USA IN 1926 DURING THE RISE OF NATIONAL SOCIALISM OF GERMANY

While Nazis were opposing England. Though while both predominantly white European nations this overlapped in history with German concepts of their origins and genetics or Central Europe and their theory of self identity

A particular person of interest was Maria Kutschera niece of Gestapo General Franz Kutcshera. The Baron Captain Von Trap (ret.) household Maria Kutschera was British Royalty friendly and in 1925 she likely bore 3 children for King Edward VIII of Windsor or Prince Albert of York. She arrived in the USA in 1926 leaving the convent and two of those children were Harold Gainey and Glorian Gainey in North Carolina with Capt Von Trapp and other dustbowl families, 7 of his own children by Agatha Whitehead.

STEP THEE: FREE MASONS OF ROCKEFELLERS AND LITTLE ROCK ARKANSAS MILITARY CAMPS OF MKULTRA WERE PART OF THIS ACTIVITY AND CONTINUE TO BE

Camp Robinson in North Little Rock (Pulaski County) is home to the Arkansas National Guard and is the principal training area for the Arkansas Army National Guard. It is also used by a number of other military and civilian agencies.

The forerunner to Camp Robinson was known as Camp Pike, named in honor of **General Zebulon Montgomery Pike**.

During the time between World War I and World War II, the post served as the headquarters of the Arkansas National Guard. Facilities to support the use of the post in this capacity were funded by sales of unneeded materials from the original camp. In addition, a large Civilian Conservation Corps (CCC) unit was stationed on the post, and the post hosted Citizen's Military Training Camps (CMTC) each summer. Future president and then-colonel Harry Truman commanded the 1933 CMTC. In 1937, Camp Pike was renamed for the late U.S. senator Joseph Taylor Robinson of Arkansas.

Pike was the leading free mason of all time along with the Rockefellers as Jen Moore points out and statutes to him are everywhere. Dean Rusk with work with the Rockefellers through is life as will Nixon.

STEP FOUR: SLEEPER AGENTS WILL INFILTRATE THE 21ST CENTURY UNDER CIA MKULTRA

During the CIA and Free Mason curiosity with the prorogation of the language defect called London KE (King Edward VII) FOXP2 gene many offspring were tested and studied including in the Bush Skywalker family line and later the Obama Jr family line and perhaps at least three NASA related families and perhaps the Cruz family, certainly the Rockefeller families, maybe a hundred by now. These or some of them from Glorian Donegan ovaries or Jim Donegan sperm

STEP FIVE: BLACK BUDGES AND PIZZAGATE

The Elites are abusing power to run a Mafia scheme that destroys the fruition of Edward Paul Donegan's life by secretly funding themselves in a RICO scheme of suing his trust fund to pay for false allegations against him. While powerful families launch this scheme and Edwawrd Donegans life is destroyed the Elites feel safer because Ed Donegan biologically or by life outcome will never be compared to the elites nor will Ed Donegan have offspring of his own.

STEP SIX: SILENCING

Those who have knowledge of the CIA matter are being assassinated preemptively so the truth will never emerge, and if it did, those who could attest to the truth will already be dead.

Jen Moores accounts are backed up by many others including Linda Newkirk and her Mountain Top (NSA?) Prophecies and metaphors in media outlets.

In the wider part I assert the CIA, FBI, Mafia, and variouis politicians have long interwoven into what was Operation Gladio described by PAUL L. WILLIAMS in the book *Operation Gladio - The Unholy Alliance between the Vatican, the CIA, and the Mafia* by PAUL L. WILLIAMS

> ## Operation Gladio - The Unholy Alliance between the Vatican, the CIA, and the Mafia
>
> **By Paul L Williams ***
>
> This disturbing expose describes a secret alliance forged at the close of World War II by the CIA, the Sicilian and US mafias, and the Vatican to thwart the possibility of a Communist invasion of Europe. Journalist Paul L. Williams presents evidence suggesting the existence of "stay-behind" units in many European countries consisting of five thousand to fifteen thousand military operatives. According to the author's research, the initial funding for these guerilla armies came from the sale of large stocks of SS morphine that had been smuggled out of Germany and Italy and of bogus British bank notes that had been produced in concentration camps by skilled counterfeiters. As the Cold War intensified, the units were used not only to ward off possible invaders, but also to thwart the rise of left-wing movements in South America and NATO-based countries by terror attacks. Williams argues that Operation Gladio soon gave rise to the toppling of governments, wholesale genocide, the formation of death squads, financial scandals on a grand scale, the creation of the mujahideen, an international narcotics network, and, most recently, the ascendancy of Jorge Mario Bergoglio, a Jesuit cleric with strong ties to Operation Condor (an outgrowth of Gladio in Argentina) as Pope Francis I.Sure to be controversial, Operation Gladio connects the dots in ways the mainstream media often overlooks.

And I describe in my letter to the US Secret Service on the Kennedy Assasinations that a CIA FBI backed Mafia is destroying my life with smears and public attacks desinged to destroy my life while allowing the State backed mafia to prosper.

Targeted Victims of Mafia Black Budget Gangstalks

Jen Moore was herself a victim of a GangStalk and that is a Free Masonry *Rough Noise* system to destroy a person's life.

Below are the mechanisms of the GangStalk

- *Union Hall* : Masonic Labor halls of Masters and Apprentice
- *Frame-Jobbers* : Those laborers who will take the job of framing a Non Mason by planting children's underwear near a person, acting out that the Stalk victim is a Russian spy by being pictured handing stolen US documents to the Stalk Victim, Stalker making incriminating monologues near the Stalk Victim that appears dialogue
- *Two-Hatters* : Donald Barr, William Barr, Christopher Wray, The Bush Family, others who explain the orders for Frame-jobbers to STalk a person will come from official fire, police, and other first repsponder office holders, to the Stalk Victim will not be able to fight off the GansStalk
- *Smear Merchants* : Be it Rumor Mongers will talk up the smear or media companies who will promote dis-truth about honest people and help guilty people avoid guilt. CIA Mockingbird uses the MSM to blame Russia for radiation attacks inside the USA that are really CIA attacks FBI DOJ Bureau of Prison attacks using radiation, and the CIA places blame instead on Russia
- *Roadblockers* : Roadblockers surveill a victim of Targeting illegally and disrupt what the Targeted Victim is doing, often taking the activity over themselves and leaving the Targeted Victim roadbloackd and completely out of future activities, also called Ghosting
- *Disrupting Bullies* Part of the GangStalks *Rough Noise* affect is to disrupt and ordinary day of an ordinary stalk victim. If I go have coffee a Stalk team in the coffee shop will place females buttocks exposed in my direction. As I am reading a book on my cell phone the will move into my smartphone lens direction and begin taking picture and dialing my phone in an abusive Pantomime that makes me seem to others, smears me by staged appearances, I was photographing females in public, making my use of the coffee shop risky and prone to fighting with those in the coffee shop and the time in the coffee shop harassed.

Is Defamation criminal? Yes; in certain contexts such as Conspiracy Against Rights using Defamation to encourage violation of lease agreements or employment status, cause other harms and do so under Color of Law, the Defamation uttered to a persons face can be sexually abusive, inappropriate, sexual harassment, and

be part of creating a false and abusive Legend about a person such that the defamed person can be blamed elsewhere for acts of a doppple of a defamed person.

The Total Bamboozle and destroying my life in violation of 18 USC Chapter 73 so Free Masons can hid what assassinated Jen Moore was disclosing

The Triad surrounding Edward Paul Donegan. Past was Dorchester Massachusetts Kennnedys Donegan. Present is half brother Barrack Obama Jr operatives attacking me. THE BIG BAMBOOZLE AND GEORGE H.W. BUSH AND SAUDI ARABIA

"False Flag 911: How Bush, Cheney and the Saudis Created the Post-911 World (08)" and "The Big Bamboozle: 9/11 and the War on Terror," a 2012 publication in which Marshall theorized it wasn't al-Qaida but rather U.S. and Saudi government officials who orchestrated 9/11, was found dead along with his two children in their Murphrys-area home in California

https://www.amazon.com/Big-Bamboozle-War-Terror-2012/dp/B00C7F4DZO

From the perspective of a Boeing 767 captain and former "special activities" contract pilot, Philip Marshall straps the reader into the cockpits of hijacked commercial airliners to tell the story of the most sophisticated terrorist attack in history. Based on a comprehensive ten-year study into the murders of his fellow pilots on 9/11, he explains how hijackers, novice pilots at the controls of massive guided missiles, were able to beat United States Air Force fighters to iconic targets with advanced maneuvering, daring speeds and a kamikaze finish. But, as Marshall explains, the tactical plan was so precise that it rules out car-bombers and shoe-bombers known as al Qaeda, KSM and Osama bin Laden. So then, who was it?

Phillip Marshall, a former airplane pilot and author whose works included the 2003 novel "Lakefront Airport," - "False Flag 911: How Bush, Cheney and the Saudis Created the Post-911 World (08)" and "The Big Bamboozle: 9/11 and the War on Terror," a 2012 publication in which Marshall theorized it wasn't al-Qaida but rather U.S. and Saudi government officials who

orchestrated 9/11, was found dead along with his two children in their Murphrys-area home in California. Reports indicate all 3 died of gunshot wounds.

Philip Marshall, a veteran airline captain and former government “special activities” contract pilot, has authored three books on Top Secret America, a group presently conducting business as the United States Intelligence Community. Beginning with his role in the 1980s as a Learjet captain first as part of a Drug Enforcement Administration (DEA) sting on Pablo Escobar, and later in the covert arming of the Nicaraguan Contras

This centered on a sprawling collaboration involving an international cabal, and primarily featuring a number of stories familiar to journalists who worked in and around Washington, D.C. in the 1980s-the Inslaw case about a software manufacturer whose owner accused the Justice Department of stealing its work product, the October Surprise theory that during the Iran hostage crisis Iran deliberately held back American hostages to help Ronald Reagan win the 1980 presidential election, the collapse of the Bank of Credit and Commerce International, and Iran-Contra.[

Plausible Denial Plausible Denial: Was the CIA Involved in the Assassination of JFK? is a 1991 book by American attorney, Mark Lane that outlines his theory that former Watergate figure E. Howard Hunt was involved with the Central Intelligence Agency in the assassination of United States President John F. Kennedy.[1][2] Published by Thunder's Mouth Press, the book chronicles Lane's legal defense of Liberty Lobby, a right-wing political group that was sued for libel by Hunt after it published an article in its weekly paper, The Spotlight, linking Hunt - a former CIA operative - to the assassination.

Lane's chief source for Plausible Denial was Marita Lorenz, a woman contacted by Lane during the suit who provided a deposition stating that on the day prior to the assassination she transported guns from Miami to Dallas where she met Hunt, Frank Sturgis, and Jack Ruby.[4] In the book, Lane stated that the CIA arranged the assassination of Kennedy because Kennedy had planned to destroy the Agency.[4] Others said by Lane to be involved in a conspiracy included George H. W. Bush and George de Mohrenschildt, who he implicated as CIA agents.

In the book, Lane also blames the media for their failure to cover the trial and their lack of credence given to Kennedy assassination theories.

Marita Lorenz in Bremen, the daughter of Alice June (née Lofland) and Heinrich Lorenz. She had a sister, Valerie, and two brothers, Joachim and Manfred "Philip".[2] Her father, a wealthy German navy captain, became commander of a fleet of U-boats when Germany invaded Poland two weeks after Marita was born and was subsequently taken prisoner after his ship was captured; he was interned in a P.O.W. camp in England. After liberation by the allies, the Lorenz family moved to Bremerhaven. Alice began working for U.S. Army intelligence, and then the OSS, the U.S. wartime foreign intelligence agency predating the CIA.

Her mother, who was born in Delaware, was an actress and dancer who performed under the stage name June Paget. Earlier in the war she had been recruited for the French underground by British intelligence after she aided the rescue a French soldier and British pilot. Accused of helping forced laborers in Bremen escape, Marita and her mother were incarcerated in the Bergen-Belsen concentration camp in 1944. In February 1959, weeks after the conclusion of the Cuban Revolution, Lorenz arrived in Havana with her father on board the MS Berlin. Fidel Castro and his men visited the ship and Castro took a liking to the 19-year-old girl. After dinner, the Berlin set sail for New York. Lorenz disembarked in Manhattan, where she would be living with her brother Joachim, a student at Columbia University. From Wikipedia the free encyclopedia/

This places here very close to Captain Von Trapp Austri-Hungarian Navy and Office of Naval Intelligence Mariak Kutschera storyline.

The Secret Team The Secret Team: The CIA and Its Allies in Control of the United States and the World After initial publication in 1973, Prentice-Hall republished The Secret Team in 1992 and 1997. The book was published again in 2008 and 2011 by Skyhorse Publishing, the latter edition including an introduction by Jesse Ventura.

Author of Secret Team Leroy Fletcher Prouty (January 24, 1917 - June 5, 2001)[1] served as Chief of Special Operations for the Joint Chiefs of Staff under President John F. Kennedy. A former colonel in the United States Air Force, he retired from military service to become a bank executive. He subsequently became a critic of U.S. foreign policy, particularly the covert activities of the Central Intelligence Agency (CIA), about which he had considerable inside knowledge.

Prouty was the inspiration for the character “Mr. X” in Oliver Stone’s film JFK.

Although I Edward Paul DOnegan have not kept up with Massachussets family it is possible the Donegans and Proutys are connected by one marriage and first cousins as well as social partners in the 60s and 70s.

Marylin Monroe I think a sister along with Julie Andrews of Glorian Donegan were killed as part of the CIA plan and had Robert F. Kennedy surived his assassination we would know much more for certain of what I will be revealing as his likely state of mind as he visited her in Los Angeles at the time of her death.

Assassinations of Perosona Non-Gratus

- *Marilyn Monroe* : Likely one of the Misfits with FOXP2 a somewhat charming Norma Jean but an off handed and unepected spiritedness
- *The Kennedy Family* : The Kennedy Curse and how it ties to Donald Barr holding the "experimantal monkey" in the White House shortly after Ed Donegan was born in Manahttan Beach city Los Angeles County and JKF was in the area with Lawford Shriver house stay

For this story, this thread of events, to unfold to the reader I must introduce the materiality of it so when events are seen they can be recognized for what they are and that is the pricise opposite of what the conspiracy wishes but the story depends on well established analysis.

> quoting - Over the past 100 years, diagnostic testing has become a critical feature of standard medical practice (Berger, 1999; European Society of Radiology, 2010). Diagnostic testing may occur in successive rounds of information gathering, integration, and interpretation, as each round of information refines the working diagnosis. In many cases, diagnostic testing can identify a condition before it is clinically apparent; for example, coronary artery disease can be identified by an imaging study indicating the presence of coronary artery blockage even in the absence of symptoms. endquote

Our technique here is to examine what was out of baseline for the evidence given and that did not include what was hidden but the alteration of what was given does reveal what is still not visible but discover-able from this alone and other out of baseline events like it.

In a normal burglary, even had this been a normal burglary of office equipment, the original police officer's work and my activities at the 1001 N. Water Street Corpus Christi Neuces County Texas apartment would have been a matter of routine.

But the police report was altered and the law enforcement arriving after the first police officers acted in non-sequitor ways, did not follow the facts and made attempts not to develop facts but instead narrate events that did not fit the unfolding of events I was witness to the police report as it was issued by CCPD was

disconnected from reality as was the response from ARC of Northern Virginia that had some records role such as the serial number of the equipment stolen.

The movie related to the story Jen Moore was talking about, the history of Edward Paul Donegan in the USA and the CIA OSS History tied to 850 N. Randolph and Free Masonry that I think saved Maria Kutschera from Austria while pregnant. She and Tom Donegan are now deceased and I think tied to that same history as the Trust Fund and genetic history of the Donegan's through her will, drawn up while she lived in that apartment, and part of the reason she lived in that apartment a few miles, walkings distance using one the WMATA, was what the criminal racketeering in the 1001 N. Water Stree MacMalamar building concerned.

My mention of Corpus_Christi PD 1911030057 burglary here is my starting example of what I am going to be doing and it is one of my best examples. What I intend to do is show a string of events from 2014 through 2024 that if we take the out of baseline elements together we can see the hidden on their affects of events that are out of baseline.

These are now the workings of my mind. Some have said (it seems the CIA and FBI and DOJ) that I have bipolar delusions, torture the helpless rather help the helpless, and that is the make up of a white supremacist, delusional and dangerous.

The Battle of COINTELRPOtx 18 USC Chapter 73

A Gangstalk is publicly accusing me of false and defamatory allegation and is destruction defamation of me, but why?

Under Nixon 1946-1960 George H.W. Bush created Barrack Obma Jr with Saudi money, rockefflers killed JFK to keep it going.

The Total Bamboozle - Three Hitlist are One: George H.W. Bush The Big Bamboozle assassination of Phillip Marshall, Hitlist of JFK witnesses, Hitlist of those about to out CIA story of Barrack Obama Jr

Title 18 of the United States Code is the main criminal code of the federal government of the United States. The Title deals with federal crimes and criminal procedure. Chapter 73 covers acts of bstruction of justice that crime being hindering of witnesses to criminal matters, faking evidence, intimidating criminal justice officials, or other types of acts the supres the operation of the criminal justice system such as interfering with process service from the courts, etc.,

I Edward Paul Donegan assert illegal CIA and FBI and Secret Service tied to politicians and aligned mafia acts are attacking witnesses in a way outlawed by 18 USC 73 because without doing so high power officials would be discovered to be guilty of crimes in other chapters.

They include Chapter 84: Presidential and Presidential staff assassination, kidnapping, and assault, 18 U.S. Code Chapter 37 - ESPIONAGE AND CENSORSHIP § 793. Gathering, transmitting or losing defense information such as CIA materials related to MKULTRA, and other acts of Treason and Subversion including overthrow of Constitutional offices by succeeding in assassination for course clearing into office.

The wide ranging plot I alleged are a three part surround of my life and three hit lists of murder of witness are sections of one MK HITLIST.

ROAD BLOCKING

Road Blocking is the secretive way various people are harassed by Hidden Hands the Stasi system of illegal use of police services to quietly smear a person by rumors to their office workers, plants of child porn or drugs, or perhaps under cover as an X-RAY technician giving a lethal does of radiation, tampering with a cars breaks to kill a journalist, etc., so their story they are working on does not make it into the press or their candidacy in politics fails.

ROAD CLEARING

For CIA FBI DOJ NSA preferred candidates journalists who are researching the background of say George H.W. Bush may be assassinated by the Mafia who are relationships wiht the Deep State in the CIA or FBI. A Russian phrase once was “doing dirty things with clean hands” “The government’s failure to tackle Russian kleptocrats laundering ‘dirty money’ through the UK has led millions of pounds used to finance Putin’s invasion of Ukraine to flow through London, a powerful committee of MPs has warned. ” This is true in all countries and the US Media Establishment if full of financial ties to the Cabal and run favorable stories about the CIA backed US system and intimidate opposition to the CIA cabal.

The assassination of targeting of journalists (I think Lara Loan among them) allows CIA NSA DOD backed candidates to proceed unchallenged and this is *road clearing* for CIA backed candidates.

REVERS GESTAPO

Ed Donegan asserts Phillip Marshall was correct Bush was tied to the Saudi family and the 9/11 2001 attack on the Pentagon and elsewhere was during a desperate cover up of Saudi and Bush family and CIA covering building Barrack Obama JR for Indonesia in 1961 overthrow plans Barrack Obama R was born into.
